### **Local Residents Now Have to Register to Vote**

#### **in the Village of Waterford**

New state voter registration rules require all municipalities – towns, villages and cities – keep track of voter information in Wisconsin's new Statewide Voter Registration System (SVRS). Residents of any Wisconsin municipality that has not previously maintained a voter poll list – such as the Village of Waterford for election day must now register and be entered into the system.

The SVRS will meet federal requirements and also allow every clerk in Wisconsin to keep track of voters who may have changed addresses, passed away or haven't satisfied a felony conviction.

To be registered in advance, voters can go to the Clerk's office and present a Wisconsin driver's license or state ID card. For your convenience a copy of the Voter Registration Application is included on the opposite side of this insert. Feel free to make as many copies as you need for eligible voters in your household. **The Clerk or her designee must witness your signature, please don't sign the form ahead of time!**

Wisconsin voters will still be able to register at the polls on election day with proper documentation, but election officials prefer to have everyone in the system ahead of time.

This system will be brand new and you can help me and your neighbors who volunteer at the polls avoid headaches by getting registered to vote in advance.

The Clerk's Office urges local residents to be registered early to avoid confusion and lines on election days. For more information about voter registration and upcoming elections, contact the Village of Waterford's Clerk's Office at 534-3980 during normal office hours which are Monday – Friday, 8:00 a.m. to 5:00 p.m.

For more information about Wisconsin's voter registration system and election procedures, contact the Wisconsin State Elections Board at 1-866-VOTEWIS (868-3947) or [seb@seb.state.wi.us](mailto:seb@seb.state.wi.us), or see its website at <http://elections.state.wi.us>.
